Thomas Enthused Over Prospects For '60 Olympics

Noted Newscaster Praises Efforts Of Sponsors Of Olympics

(Editor's Note)
The Sierra Sun is pleased and honored to be permitted to publish the impressions of Lowell Thomas on the forthcoming Olympic games. The following comprised a part of one of the noted newcaster's dispatches beamed nation-wide during his visit in the area last week. The broadcasts were made from the S. P. depot each afternoon.

By LOWELL THOMAS

Earlier in the week, I mentioned that one of my reasons for coming to this Truckee-Donner pass Lake Tahoe section of the Sierra, was to have a look at the area that has been awarded the next Winter Olympic Games. All of which is a matter of considerable interest to some millions of people.

There has been an element of drama in this story, right from the start; because Alex Cushing, owner of Squaw Valley Lodge and lifts, pulled off a sensational coup, when he took the next Winter Olympics away from several renowned European areas that thought they should have it. That was a spectacular selling tour-de-force, and was followed by the usual criticism. Where was this place Squaw Valley, and so on? Belittlers and others, saying how under the sun could they handle the winter Olympics at Squaw Valley, where now there is only one lodge, a double chair lift and lesser facilities?

As a westerner, who has boundless faith in the imagination and drive of people in this part of America, I felt that Cushing had performed a miracle. He had put the State of California on the spot? Sure! But they think big in California and this state will never overlook any opportunity to play host to any Olympic games!

This week, Alan Bartholemy, representing the Olympic organization, showed me all the plans. I wish I had time to describe them in detail: An Olympic village to house the athletes from various parts of the world; arenas for indoor sports; a big artificial skating area outside, for the long distance races; an Olympic bob-run that will incorporate many new ideas; down-hill, giant slalom, slalom and cross-country ski courses, as well as two spectacular jumping hills; a converted airstrip near Truckee where cars will be parked and from which a bus shuttle service will run to Squaw Valley; elaborate facilities for press, radio and TV such as they have never had at the Olympic Games—and so on.

I could devote a whole broadcast just to listing the things they are preparing to do. Oh, yes, there will have to be more uphill lifts. They will be putting in a new water system at Squaw Valley. And, there will be a new sanitation system.

Much of this to be permanent, making Squaw Valley one of the major winter resorts in the world.

All this will involve an expense of more than seven million dollars, plus some twenty million more to be spent on improving the highways in this area. These twenty millions had already been voted. The work on the highways will merely be stepped up. Making them all four lanes.

Where to house the throngs that will come here from all parts of America, and from all over the world? Both California and Nevada will be included in that. Reno is only an hour away. Carson City just beyond. Glorious Lake Tahoe is next door to Squaw Valley and in the summer months it handles a population of over eighty thousand.

Then, there is this lively town of Truckee where I am at this moment broadcasting from the Southern Pacific Railway station, and, many lesser communities on both sides of Donner Pass.

For two days now I have been at Squaw Valley, going up and down the mountain, seeing a little of the terrain with which I first became familiar eight years ago, when I skied it with Emile Allais and Alex Cushing. Today I have just come in from Squaw Mountain where MIT Engineer Jack Sawyer and I were with Mountaineer John Mortizia, Justine Cushing, Joe Mariack, Avalanche Expert Monty Atwater.

Problems to be solved? Of course. And, as usual there are irate owners who will more or less have to be satisfied. But, all indications are that the 1960 Winter Olympics at Squaw Valley will be memorable. These are great mountains, lots of room, lots of snow. Marvelous new highway to be built, lots of housing space, and so on.

Incidentally, they expect to have television sites everywhere; so, for the first time several hundred million people here and abroad will have an opportunity to watch almost every move in this 13-day Olympic.

Improved—

George Kaspian left Tahoe Forest Hospital last Thursday after he had been treated for pneumonia.

Della Burlingham Honored For Long Telephone Service

Among the most precious memories of Mrs. Della Burlingham during her life-long residence in Truckee, the retirement reception and dinner party given in her honor at Donner Lake Lodge on the evening of March 2 by her employers and fellow workers will always remain outstanding.

On that date, 85 guests, officials and employes of the Pacific Telephone and Telegraph Company, gathered to render her respectful esteem for 33 years of faithful service with the company. For her the evening was just one friendly ovation after another.

Mrs. Burlingham started her career as a "Hello Girl" way back in 1912 and except for brief absences of necessity has spent most of the intervening years in the local telephone office. Today she still resides in the same house in which she was born. The widespread goodwill and respect of her many friends here indicates her long-time popularity among them.

Guests attending the party came from Sacramento, Marysville, Chico, Quincy, Colfax, Reno and local areas. C. P. Eddy, assistant district traffic supervisor of Sacramento presented the honoree with a white orchid corsage. A memory book was presented her by Truckee's Stanley Zwarg, a life membership in the Bell Telephone Company Pioneers was presented by Ted Brown, president of John I. Sabin Chapter of the Telephone Pioneers, Reno, and Mrs. Virginia Taylor, chief operator at Truckee office, presented her with a two-piece set of matched luggage, the gift of co-workers out of own, and in this area. One of the honored guests was Paul Garwood of Reno, general manager of Bell Telephone Company of Nevada, while Jim Dodson of Reno, plant manager, served as master of ceremonies.

A dinner was served in the resort's dining room where over 150 additional guests arrived after 9 p.m. to enjoy the special program of entertainment and dancing, handled by Bill Williams. Music for the dancing was furnished by his son, Bob Willians of Tahoe City.

George Selkirk, manager of Tahoe City's business office, and his wife, were among the guests from this area.

Low Highway Bid

Gibbons and Reed Company of Salt Lake City submitted the low bid for grading and paving 5.4 miles of U. S. Highway 40 from the Nevada line to a half-mile east of Floriston, the department of public works announced following the opening of bids at Sacramento yesterday.

The bid was for $4,976,184.

The bid includes an underpass at Farad and four-laning the 5.4 miles.

WARNING ISSUED AS FIRE FIGHTER HURT

As a result of injuries received by Lloyd Van Sickle while fighting a fire at the Herbert Copeland home this week, Chief N. F. Dolley again issued a warning to all non-firemen to avoid injuries by staying out of the danger zone. All firemen are protected by insurance which does not cover others.

Van Sickle is believed to have suffered broken ribs when he fell from a stove on which he was standing assisting the other volunteers.

GREEK PLAYS WILL BE SUBJECT AT MEET

Two plays of Greek fame are to be discussed at the March 13 meeting of the Great Books Discussion Group. They are Sophocles' Oedipus Rex and Oedipus at Colonus.

Mrs. Hilda Hintz and Mrs. Phyllis Snyder will lead the discussion beginning at 8 p.m. in the Tahoe Lake elementary school in Tahoe City.

Work On Calendars

The Donner Troop of Girl Scouts met Tuesday afternoon where the principal project was work on the bird calendars. Linda Giovannoni was in charge and Sandra Balsavage was a guest. The meeting closed with songs.

SIERRA SUN ADS PAY!

District Election On Annexation Is Set For March 12

Improvement Planned Will Be Financed By Area To Be Annexed

An election Tuesday, March 12, will decide whether the Gateway Park area will be annexed to the Truckee Sanitary District.

Because of legal technicalities, two polls will be operated—one for the residents of the area seeking annexation and the other for voters of the present district. It is pointed out by John J. McGlade, clerk of the sanitary board, that only the votes in the former category will be counted to decide the question.

By the same token, he said, improvements in the service in the annexed area will be financed solely by the property owners in that area and no obligations will be assumed by the present district.

It is probable that a bond issue will be required to provide for the much-needed service but only those in the annexed portion of the district will be responsible for that indebtedness. Later, if district improvements are required and for the purpose of maintenance of the system, the entire district will share in the costs.

Precinct No. 1, comprising the area now within the district and where votes will not have any bearing on the outcome, will be at the Justice Court offices. No. 2 precinct, for the voters of the area desiring annexation will be at the Curran Distributing Plant.

LINDA LOYND, NIKKI WING, WINNERS IN SPEAKING CONTESTS

Linda Loynd was adjudged the winner of the student speaking contest held in the Crystal Bay Club Tuesday evening by the Brockway Lions Club of Lake Tahoe, with Janice Gray and Sandra Frank, all of Truckee as her close and capable contestants.

"My Place in the World of 1976" was the chosen theme, heard by 60 members and visitors at the meeting at which Red Waddell acted as president. Hal Brown, deputy district governor, was an honored guest.

Another phase of the affair was the presentation of the 15-year jewel and certificate to Win Morrell by Earl Stice of Truckee, zone chairman and the presentation of the 20-year jewel and certificate to Judge Harry Charrison. The latter began his membership in Pasadena, transferred to the Truckee club and was a 1951 charter president of the Brockway Club.

In the contest sponsored by the Truckee Lions, Nikki Ann Wing last night took first place, and Beverly Gunkel and Bob Williams were tied for second.

Judges were O. Swauger, F. W. Gaiennie and Walter Loynd. The teller was Lee Apple and the timer, Robert Seibold.

THREE BIRTHS ARE REPORTED LOCALLY

Three births have been reported by the Tahoe Forest Hospital. Karen Lee is the eight pound, eight ounce daughter born February 24 to Mr. and Mrs. George F. Mason of Crystal Bay. Dr. Walton Prescott was in attendance.

On the same date a son, William Grant Davis, Jr., seven pounds, 13 ounces was born to the late William Grant and Mrs. Davis. Dr. L. D. Nelson was the attending physician.

On Friday, March 1 Keith Allen, eight pounds, five ounces arrived for Mr. and Mrs. Clyde Wright of Tahoe City with Dr. Prescott attending.

HIGH SCHOOL PTA TO NAME NEW OFFICERS

The next regular meeting of the Tahoe-Truckee Unified PTA will be held on Thursday, March 14 at 8 p.m. in the high school. Under order of business election of officers will be held and discussion of changing from a PTA to a parents and teachers organization.

Refreshments will be served by a committee under the chairmanship of Mrs. Robert Leamon.

Lenni Vind, small son of Mr. and Mrs. Charles Vind is reported recuperating at home following several days in Tahoe Forest Hospital where he was rushed due to a throat ailment last week.

SUNBEAMS

By WALTER M. BARRETT

Conservation Week is being observed in California from March 7 to 14. In this area the week should have more meaning than in many sections of the state, since we are all familiar with what the lack of conservation can mean. Our numerous natural resources—watershed, wildlife, water and other items so important to all the state and nation—are close to us in this region and abuses are noted quite readily and too frequently. As a matter of fact we would urge a closer study of these abuses by agencies charged with protecting and conserving our diminishing natural resources and we would certainly not oppose the inauguration of classes in our schools to educate the youth on the importance of conservation of our forests and other natural resources so vital to the welfare of our country as a whole and particularly to our local region.

* * *

A committee from the chamber of commerce, headed by Hal Welch, a past president of that organization, has completed a study of the feasibility of incorporating this area into a city of the sixth class. Fundamentally, there can be no question as to the necessity of self government, if the community is to develop on a sound and business-like basis. The only question, as we see it, is whether the costs and advantages will balance. The committee, after a rather thorough study has come up with a report that the move is advisable and timely. The report, starting today in the Sierra Sun and prepared by Welch, will go into the matter of finance and other cold facts which we hope will prove conclusively that incorporation is a requirement and that it will receive necessary support.

Tree Cutters Fined As Case Concluded

Climaxing a stormy seven-day trial in U. S. District Court, San Francisco, Federal Judge Michael Roche ruled that Robert W. Knox and Donald McPherson were liable in damages to the U. S. Government for willful and malicious cutting of Christmas trees on two separate areas of the Tahoe National Forest during 1953 and 1954.

Knox, an Auburn used car dealer, and McPherson, a logger from Carson City, did business in Cisco Grove and Los Angeles as Knox Christmas Tree Company.

The defendants were assessed triple damages for the value of 2300 trees, as well as 7 percent interest and court costs, making a total of $13,663.

Assistant United States Attorneys James B. Schnake and Frederick J. Woelflen, who presented the government's case, announced that $4800 was attached by U. S. marshals during the defendants' 1954 Christmas tree sales and that immediate action would be taken to collect the balance by execution on their assets.

The conclusion of the case climaxes a forest service patrol inaugurated in the Truckee District three years ago by Nelson Stone. As a result of that patrol, supported through the cooperation of most of the major landowners, illegal tree cutting has dropped from an estimated 100,000 trees to a small fraction of that number during the past year, Ray Saarni reported.

It is anticipated that as a result of the cooperation of landowners and the forest service that the illegal cutting will be eliminated entirely.

FORMER LOCAL MAN DIES AT PALO ALTO

William Meyers, who operated the old Truckee Meat Market here some years ago, has died in a hospital at Palo Alto following an illness which has keep him confined since before Christmas, according to word from Mrs. August Esola of Sacramento, whose husband was employed by Meyers.

The deceased leaves his wife, Frances, and two children, all of East Palo Alto. Funeral services were held yesterday.

Land Agreement Reached In Squaw Valley For Games

Interest In Project Shown In Capacity Gathering For Discussions

An agreement between Mr. and Mrs. Wayne Poulsen, principal landowners at Squaw Valley, and the California Olympic Commission was reached at a meeting held in Sacramento Friday wherein the latter secured lands required for providing the 1960 Winter Olympics and eliminated any necessity for condemnation action.

The Poulsens agreed to sell outright 32 acres of land to provide 10 acres for flood control, six acres for an outrun for ski jumps, 10 acres for parking and six acres for a sewer disposal plant at the lower end of the valley. In addition agreement was reached for easements for utilities and sewer lines.

The meeting was arranged by Senator Harold T. Johnson to work out details in a long-standing land controversy. It will also provide for the lawmaker to present his bill, S.B. 1774, to add $2,990,000 to the $5,000,000 already appropriated for the cost of the games, without opposition. Johnson will incorporate into his bill the specific land requirements and limit the power of eminent domain.

All Satisfied

Ken Macker, assistant to Prentis Hale of the organizing committee expressed gratification at the outcome of the meeting.

"If the agreement is formalized we will be able to start construction as planned on June 20," Macker said. "This agreement not only will benefit the Olympic games but all the landowners in Squaw Valley."

H. D. Thoreau, executive secretary for the commission declared: "We are pleased to have finally

NEW BOXES ADORN LOCAL POST OFFICE

Patrons of the Truckee Postoffice were greeted with a pleasant surprise Tuesday morning when they called for their mail to find an entire section of new boxes which had been installed by Carl Painter, local builder.

The new section contains most of the same numbers as the former antiquated boxes, with the drawer section at the bottom being the only changes.

Postmaster E. C. Bavier announced the office gained a matter of some 20 boxes by the change, but that there is still need for more. The number totals near 500 at present.

LENT SERVICES AT CHURCH PLANNED

Wednesday, March 6, marked the beginning of Lent. This week is a "Week of Dedication" in the Methodist Church and points up the need for greater devotion to the Christian cause culminating with Easter on April 21, Rev. Wesley Osman declared.

The Women's Society of Christion Service will sponsor an hour for "World Day of Prayer," Friday, March 8.

ONLY ONE SHOW EACH NIGHT FOR WAR-PEACE

Because of the length of the film, "War and Peace," which will be shown at the Donner Theater Sunday and Monday, March 10 and 11, Manager Jack Neugebauer said there will be only one show each night starting at 7 and running to 10:30 p.m.

The film is a technicolor presentation of Leo Tolstoy's "War and Peace," one of the most widely distributed novels ever written. It features Audrey Hepburn, Henry Fonda, Mel Ferrer and Anita Ekberg.

DR. AFFELDT SHOWS SOUTH SEA FILMS

Films that he took while on duty with the armed forces in Japan, Okinawa, Pearl Harbor and other South Pacific points were shown at the meeting of the Lions Club last week at Donner Lake Lodge by Dr. Robert Affeldt, Truckee dentist.

The films were educational and enjoyable.

Roy Waters presided at the meeting.

System For Dialing Fire Alarm Given By Telephone Co.

Arrangements between the Pacific Telephone Company, the California Highway Patrol and the Truckee Volunteer Fire Department were completed this week for converting the present fire alarm system to meet the new dial telephone setup.

Fire Chief N. F. Dolley announced that beginning Saturday night, March 16 at 11 o'clock fires will be reported by dialing LUther 7-3521. This number, which should be memorized by everyone in the first district, will ring the highway patrol office where a special telephone is being installed.

The person to whom the fire is reported will ascertain the location, sound the siren by means of a remote control switch and a direct line to the fire station will advise firemen of the location.

There will be a clerk on duty at the patrol office 24 hours a day and special attention will be given the fire call which must not be used for any other purpose. Location of fires will not be given out from the office except over the closed line to the fire station and even members of the department will be unable to learn the location until they report there.

The fire department is preparing handy cards which will be mailed to all residents of the district explaining the method of reporting fires and also providing other emergency numbers such as the sheriff's office, hospital and ambulances.

George Selkirk, telephone company manager, said special service will be given in providing the alarm hookup.

Fish Plant Same As For Last Year

Approximately the same number of catchable rainbow trout will be planted ni local streams as was planted during 1956, officials of the California Department of Fish and Game told some 50 sportsmen at a meeting held Monday night at Capitol Hall.

The sportsmen were advised that no trout will be planted in the Truckee River from the Hirschdale bridge to the state line because that section has been restricted to artificial lures by the fish and game commission.

The balance of the Truckee will be planted with 60,000 catchables, the same number as contemplated for the Yuba River. Other allocations announced by Alan Pollett of the department included Donner Lake, 40,000; Donner Creek, 60,000; Prosser Creek, 5000; Little Truckee, 14,000; Ward Creek, 4000.

Although no tests of survival were made of the 2,600,000 fingerling rainbow planted in Lake Tahoe last year, another 2,000,000 will be planted there this year, the sportsmen were advised.

Jack Waggoner, president of the Truckee Outdoor Sportsmen, presided at the meeting. Three department officials and four wardens, including Captain Hooker and Warden Erv Single, represented the state at the meeting.

WYETHIA CLUB WIL HOLD MEET MAR. 15

A dinner meeting will be held by the Wyethia Club members beginning at 7 o'clock, March 15 in Donner Lake Lodge.

The affair will be the first for 1957 given by the women's group, according to Mrs. Eugene Welch and the members are requested to take a guest. Reservations may be made until March 12 by calling Cabona's Store.

Pythian Sisters Planning Food Sale For Friday

Members of Summit Temple, No 79, are planning home-cooked food, including pastry, for the sale to be held tomorrow at 10 o'clock in the former bakery building on Commercial Row.

The dishes are prepared by some of Truckee's excellent cooks and will find a ready sale to early buyers.

PAGEANT PLANNED

NEVADA CITY—Directors and members of the Nevada County Historical Society voted to study possibility of staging an historic pageant depicting the suffering of the Donner Party during the tragic winter of 1846-47.

School Expansion Plan Revealed By Board At Meeting

Bond Issue Proposed To Pay For Additional Rooms For Expansion

The Governing Board of the Tahoe-Truckee Unified School District in a special meeting Tuesday night, March 5, took action to alleviate the overcrowded situation existing in the high school, and the Kings Beach, Tahoe City and Truckee elementary schools.

After weeks of study and research, and meetings held with a cross-section of the people of the district, the following program has been developed.

Kings Beach: Six additional classrooms with all facilities.

Tahoe Lake: Eight classrooms. health room, principal's office, all purpose room, and cafeteria and kitchen.

Truckee: Fourteen classrooms with all facilities, including all-purpose room with kitchen.

The elementary schools are being enlarged in order to take care of the present overcrowding and to return the seventh and eighth grades to their respective districts. Donner Trail seventh and eighth grade students will continue to be educated in the new Truckee elementary school, John S. Corbin, district superintendent, said.

The high school program includes nine classrooms, arts and crafts room, extension to the shop, band room, and a combination auditorium and girls' gymnasium, Corbin said.

Conservative estimates reveal that the school district enrollment has been growing at the rate of 20 percent the last few years, and with the tremendous highway program under construction, other anticipated industrial increased operations, and Squaw Valley Olympics, it is estimated that this building program will take care of this huge influx of children for at least four years, the board decided.

The building program, as authorized, can not be started until after a bond election is held, approximately 60 days from this date. This bond election will be for $1,700,000, payable over 20 years, Corbin explained.

Meetings are to be held in each area for purposes of explaining needs of the district. Any organization wishing information may call Corbin, who will appear and present detailed data concerning this program.

Reappointed

Governor Goodwin J. Knight today announced the reappointment of James Sherritt of Soda Springs and Gail Gordon of Grass Valley as members of the 17th District Agricultural Association of Nevada County. Gordon has been a member of the board since December, 1952 and Sherritt was appointed in January, 1956.

FOUR ARE INJURED BY SUMMIT CRASH

Four bay area residents were injured, none seriously Monday when cars driven by Felix Imana of Oakland and Martin E. Keel of Reno collided near Kingvale. Hurt and taken to the Tahoe Forest Hospital by Truckee ambulance were Imana Edith Macagba, Berkeley; Gene and Marie Galvan of Oakland. Imana was cited.

DAMAGE CAUSED AS FIRE HITS DWELLING

Considerable damage was done to the A. L. Davidson home on River street Monday when an overheated chimney started a fire in the ceiling of the house occupied by Mr. and Mrs. Herbert Copeland. The volunteer fire department responded quickly and soon had the blaze under control.

JOE MILLER LEAVES FOR MARINE BASE

Pvt. Joe Miller left Monday from the U. S. Marines Base at Reno, via airplane for San Diego where he will start six months reserve training, having joined the organization last August.

Mr. and Mrs. Joe Mattos, his grandparents, had as their guests during the weekend, Mr. and Mrs. Ed Ulsheimer of San Francisco, who all wished the young recruit a good trip south.

SCHOOLS HEAR TALK ON DIAL TELEPHONES

Mrs. Barbara Nunes of Sacramento was scheduled to address the various school children of the district today on proper use of the new dial telephones which will be used after 1 p.m. Saturday, March 16, Manager George Selkirk announced.

Selkirk said the school officials are cooperating to give the company this opportunity of explaining the new setup and have arranged for assemblies at the five schools in the district.

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO (CNS)—A warning should be issued to the people of the State of California at the present time to the effect that apparently here is a drive by the California Highway Patrol to issue citations for what it terms "excessive speed" upon California's freeways.

Although officials of the patrol will neither affirm nor deny the fact that such a drive is in progress, there is evidence as outlined by a patrol officer who arrested a citizen doing 70 miles per hour on a freeway near Sacramento, to the effect that such a drive is on.

This officer informed the victim, who has been traveling the same freeway at 70 miles per hour for many months, that it is now necessary to arrest law-abiding citizens to stimulate interest and demand for the governor's recommendations to the legislature for a maximum 65 miles per hour speed limit. The same recommendations is made by Highway Patrol Commissioner Bernard Caldwell, who apparently now has his officers arresting people for traveling the same speed limit that he recommends as being safe.

For another citizen, also arrested on a freeway near Sacramento, was handed a ticket charging him with traveling 65 miles per hour, and advised that the state's speed limit was 55 miles per hour. Anyone traveling over the 55 miles per hour, according to this officer, is subject to a citation for traveling beyond the limits of the law.

Quite obviously, anyone picked up for traveling 65 miles per hour would be heartily in favor of increasing the prima facie speed law, so that next time, he would be traveling within the legal rate. That is, unless the culprit happened to think of another section of the motor vehicle code, which says that persons shall not drive at a speed which endangers life and property. He then might come to the conclusion that traveling 65 or 70 miles per hour is perfectly legal.

However, the unsuspecting citizen, some of whom have been driving automobiles for 40 years, and have seen speed limits raised from 25 miles per hour to the present law, apparently are not supposed to have any judgment at all about what is, and what is not, excessive speed. This appears to be the exclusive responsibility of the California Highway Patrol, even though the state doesn't sign the freeways designating 55 miles per hour as the speed limit.

Further evidence that the patrol is driving against traveling at what some believe to be a legal rate of speed is the fact that Caldwell recently issued a press release declaring tha "drivers who speed are driving themselves to death."

"The smart driver," says Caldwell, "uses speed well, never beyond the safe limits and always within the stated or posted limits."

Fair enough, if there are any postings on the freeways, and if the highway patrol has any definition of excessive speed, which is apparently does not have except in the minds of some officers.

Caldwell claims in the release that there was a 24 percent increase in fatal "ran-off-the-roadway" type of accidents in 1956 over 1955. Also, that there was an over-all "increase of 12 percent in fatal accidents involving excessive speed." Officers, however, were unable to define excessive speed, so the statement has little merit.

Possibility that the accidents resulted from reckless driving, which combined with speed is probably the worst menace on the highways today, was not dealt with in the release.

Australian television set owners are required to purchase an annual license at a cost of about $11.25.

IN WHITTIER, IOWA, A LAMB WAS BORN BALD. ITS OWNERS KNITTED IT A SWEATER.
Pierre's Wines
SECOND NOTICE
Small boys fishing in the Seine caught a metal sphere containing 20 letters addressed to Parisians besieged by the Prussian Army 85 years ago.
Historian John Shelton says that Lady Godiva, who would have been 60, did not ride unclothed through the streets of Coventry 913 years ago and, that there was no Peeping Tom. Coventry city officials were unmoved. "The legend has lasted 900 years. We will continue to have Godiva processions," they said. The story had helped to make Coventry a mecca for tourists.

Nevada County Given Share Of Road Use Tax

SACRAMENTO (CNS)—Nevada County received $22,088 as its share of $24,756,538 in highway users taxes for the month of December 1956, Robert C. Kirkwood, state controller said today.

Kirkwood said the $24 million plus figure is an increase of $757,678 or more than 3 percent over December -1955 and a decrease of $1,331,686 or 5.1 percent under the November 1956 apportionment.

Net highway users taxes for December were apportioned as follows, Kirkwood said:

State highway fund for cities, $2,496,999.

Counties, $6,176,714.

State highway fund for highways, $16,082,825.

Gross gasoline tax collections for December were $24,861,614. This represents an increase of $688,034 or 2.85 percent over November 1956 and an increase of $1,588,379 or 6.82 percent over December 1955.

Use fuel tax collections for December totaled $1,305,461, the controller said. This is a decrease of $378,002 or 22.45 percent from collections for November 1956 and a decrease of $234,039 or 15.2 percent from collections made durnig December 1955.

Refunds for non-highway users showed an increase of $58,752 or 3.53 percent, over refunds paid during the preceding month, he concluded.

Number Of Vehicles In County Shows Increase

SACRAMENTO (CNS)—Nevada County had 11,095 registered vehicles in 1956, Paul Mason, director, department of motor vehicles, has announced.

Mason said the county reported a total of 10,585 in 1955.

For thetwelfth successive year since the end of World War II, Mason said, the number of vehicles registered in the state has consistently risen and in 1956, there were 7,147,848, or 416,192 more than last year.

The 1956 total shows an increase of slightly more than six percent over 1955 and 104.8 percent over the first pre-war year, 1946, the director said.

Fees collected by the department under provisions of the vehicle and the revenue and taxation codes, reached a total of $208,696,665 and of this nearly $8 million dollars was derived from applications other than for vehicle registrations, including more than $6 million dollars paid for driver applications and duplications.

NOTICE OF GOVERNING BOARD MEMBER ELECTION AND COUNTY BOARD OF EDUCATION ELECTION

Five members of Sierra College Junior College District.

Two members of Tahoe-Truckee Unified School District Unified School District.

One member of Placer County Board of Education.

NOTICE IS HEREBY GIVEN TO THE VOOTERS OF THE ABOVE DISTRICT OR DISTRICTS OF THE County or Counties of Placer and Nevada, California, that the Annual Election for members of the Board or Boards of the said district or districts will be held on the third Friday of May, namely, May 17, 1957, for the purpose of electing the number of members of the governing boards of the districts as indicated above.

The polls will be located at:

Princinct No. 1—Donner Trail School.

Precinct No. 2—Kings Beach School.

Precinct No. 3—Floriston School.

Precinct No. 4—Tahoe Lake School.

Precinct No. 5—Truckee Elementary School.

The polls will be kept open between the hours of 7 o'clock a.m. and 7 o'clock p.m.

The election returns will be canvassed at 10 a.m. o'clock on June 3, 1957, by the county superintendent of schools at 138 Maple Street, Auburn, California.

Deadline for the receipt of absentee ballots is June 2, 1957.

Forms for declaration of candidacy may be obtained at the office of the county superintendent of schools, 138 Maple Street, Auburn, California. The last day for filing declarations is April 17, 1957.

Dated: February 18, 1957.

ALBERT F. BEQUETTE,
County Superintendent of Schools.

All qualified voters of the school districts who were registered at least 54 days before the election in the (general election) precinct in which this election is held may vote thereat. F28-M7-14

No. 5765

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF NEVADA

NOTICE FOR PUBLICATION OF TIME APPOINTED FOR PROVING WILL, ETC.

TAHOE POSTSCRIPTS

By SWANEE

Deputy Sheriff Harry Johanson of Tahoe City staged his famous once-a-year dinner party, cooked entirely by himself, on Wednesday night last. Guests who thoroughly enjoyed the novel occasion could scarcely believe the modest keeper of law and order, "Harry-Jo," as he is known to close friends, could concoct such a tempting repast unaided. The menu was entirely Swedish—cabbage and meat soup. A specially prepared 16-pound ham, known as "Swedish Turkey," crab salad, Swedish meat balls, cauliflower, hors d'oeuvres and refreshments, topped off with coffee. Guests included Mr. and Mrs. Wendell Dunn, Jeannette Mitchell and Eleanor Swanson.

* * *

Mrs. Janet Todd, another long-time residentof Lake Tahoe, whose summer home was located in the Miramar Tract not far from the Catholic Chapel on the Lakeshore, passed away in San Francisco recently. She was the widow of Lieut.-Cmdr. James T. Todd, who died more than five years ago. She was a sister of Arthur Merrill Brown, former official of San Francisco. Among survivors is a stepson, James H. Jr. Sincere sympathy of the community is extended the family.

* * *

Mrs. Jeannette Mitchell of Sunnyside entertained at dinner on Thursday evening, guests including Mr. and Mrs. Frank Daft and children, Debro and Kimberly Jo, of Pineland, Jackie Murray of Truckee, Bill Minerich of Donner Summit and Eleanor Swanson.

* * *

The A. M. Andersons of Village Store returned home on Wednesday last following a two-week vacation jaunt. Some of their time was spent visiting Red's brother-in-law and sister, Mr. and Mrs. Frank Gunter at Phoenix, who spend every winter in Arizona from their home in Missoula, Mont.

* * *

Also home from an enjoyable winter vacation, much of which was spent at Hemet, are Mr. and Mrs. A. M. Henry who also returned on Wednesday.

* * *

Word has been received at Tahoe of the recent death of George A. Scott who for years maintained a summer home in the Lake Forest District which is now the property of his daughter, Mrs. Allan Bray.

* * *

Fred Main and Norman Mayfield and wives, are among local residents attending the Sports and Boat Show which is being held from March 1 to the 10th. Tahoe Boat Company has an exhibit at the Cow Palace in San Francisco where the attraction is being staged.

* * *

Mrs. Eleanor Swanson is now residing with Mrs. Jeannette Mitchell in her home in Sunnyside where she will be "at home" to her many old friends of the lake region. And I might add, she is as happy as a clam at high tide to be back in her old stomping grounds.

* * *

Aubrey Smith of Sacramento is a houseguest of the George Meades of Tahoe City.

* * *

Baby Kimberly Jo Daft, tiny daughter of Mr. and Mrs. Frank Daft of Pineland, who is just four months old, was christened in her Sunday best in St. Francis Methodist Church, San Francisco, at 1 p.m. on February 23. Fred P. Hanes performed the christening service before a group of friends. Godparents were Mr. and Mrs. Richard Bosen of Mill Valley at whose beautiful home the reception party was later held.

Kimberly has an older sister, Debro Michelle, who is just 22 months old. By strange coincidence the two little sisters seem destined to share similar dates throughout their lives. Debbie was born on May 8, 1955. Kimberly has as her birthdate November 8, 1956. Debbie was christened July 23, Kimberly on February 23, 1957.

FIS QUALIFYING MEET WILL BE AT VALLEY

Dick Movitz of the international competitions committee of the National Ski Association announced this week the North American Ski championships at Squaw Valley would be considered a qualifying meet for the FIS team being organized by the National Ski Association.

The FIS team will compete in Austria in 1958 for the World Ski championships.

The intercollegiate meet at Yosemite, known as the Tressider Memorial Championships, has been moved up to March 9 and 10, according to FWSE officials.

COLLECTION COMPLETE

CRYSTAL BAY—Ethel Antonson reported at the meeting of the Ladies' Auxiliary to the VFW, Lake Tahoe, last week book collections for the V.A. Hospital in Reno has been completed.

Mrs. Antonson thanked all persons who contributed books and magazines to this project. Nearly 1000 books and magazines were collected.

ORDER NO. 1
of
TRUCKEE SANITARY DISTRICT
APPROVING PETITION FOR ANNEXATION, DESCRIBING TERRITORY TO BE ANNEXED, AND ORDERING ELECTION ON ANNEXATION

THAT WHEREAS, pursuant to Section 6840 of the Health and Safety Code of the State of California, a petition for annexation of certain territory to said Truckee Sanitary District has been heretofore filed; and

WHEREAS, pursuant to Resolution No. 4 of the Board of Directors of said Truckee Sanitary District, said District did call for a hearing on said petition on the 29th day of January, 1957, and did cause notice thereof to be given for the time and in the manner required by law, including Section 6844 of the Health and Safety Code of the State of California; and

WHEREAS, pursuant to Notice of Hearing, at the time and place and on the date specified therein, a public hearing was had in reference to said petition for annexation, at which said public hearing no protests were made or filed opposing said annexation, and evidence in support of said petition having been presented, and the Board of Directors having considered the same and being advised in the premises,

NOW THEREFORE, IT IS HEREBY DECLARED AND ORDERED BY THE BOARD OF DIRECTORS OF TRUCKEE SANITARY DISTRICT, as follows:

1. That the PETITION FOR ANNEXATION, heretofore filed with this Board on the 15th day of January, 1957, be and the same is hereby declared approved, said Petition for Annexation having been duly presented, signed by at least 25% of the freeholders residing in the territory, therein described to be annexed, and duly verified by Charles P. Vind, one of the petitioners;

2. That the lands within the exterior boundaries of the area proposed for annexation will be benefited by such annexation;

3. That the territory proposed for annexation is situated in County of Nevada, State of California, and the exterior boundaries thereof are more particularly described as follows:

All that territory lying within the following described bounds, outside the bounds of the existing District and continguous thereto;

Commencing at the point of intersection of the north-south center line of Section 14, Township 17 north, Range 16 east MDB&M, with the boundary line common to Placer and Nevada Counties, (being the south quarter corner of said Section 14) running thence northerly along said north-south center line, 7920 feet more or less to the center of Section 11; thence westerly along the east-west center lines common to Sections 11, 10 and 9, 10560 feet more or less to the center of Section 9; thence southerly along the north-south center line common to Section 9 and 16, 7920 feet more or less to the southern quarter corner in said Section 16, (being the point of intersection of said north-south center line with the boundary line common to Placer and Nevada Counties); thence easterly along the southern boundaries of Sections 16, 15 and 14, 10560 feet more or less to the point of beginning, all in Township north, Range 16 east, MDB&M.

4. That pursuant to Section 6847 of the Health and Safety Code, it is hereby ordered that a special election shall be held on the 12th day of March, 1957, for the purpose of determing whether or not the territory hereinabove described shall be annexed to said Truckee Sanitary District;

5. That said special elcetion shall be held and conducted, the votes thereof canvassed, the results thereof ascertained and determined, as herein provided, and in all particulars not so prescribed by this Order, said election shall be held according to the provisions of law governing elections in the District.

6. That the polls at the polling places hereinafter designated shall be open from 1:00 o'clock P.M. of said day of election to 7:00 o'clock P.M of said day, at which time said polls shall be closed, and the election officers shall thereupon announce the votes, and deliver the ballots to the President or Secretary of said District, and the Board of Directors shall, as soon as practicable, canvass the ballots;

7. That for the conduct of said special election there shall be two election precincts comprising the territories hereinafter designated; that the precinct election Boards shall be comprised of one inspecor and two judges each; and that the polling places and election officers on said precinct election Boards which are hereby appointed to conduct said special election are as follows:

Precinct No. 1—Comprising all territory now within the exterior boundaries of the Truckee Sanitary District.

Polling Place—Precinct No. 1—Truckee Justice Court office, Main Street, Truckee, California.

Election Officers—Precinct No. 1:
Inspector: Lucille Bick
Judge: Lenore Vind
Judge: Dolores Curran

Precinct No. 2—Comprising all territory within the area proposed to be annexed.

Polling Place—Precinct No. 2: Curran Distributing Co. Office, Main Street, Truckee, Calif.

Election Officers—Precinct No. 2:
Inspector: Dorothy Rose
Judge: Dorothy Leamon
Judge: Margaret Copeland

8. That the ballots to be used at said special election shall be in substantially the following form:

No. ___	(This number to be torn off by Inspector)	MARK CROSSES (X) on BALLOT ONLY WITH RUBBER STAMP; NEVER WITH PEN OR PENCIL (ABSENTEE BALLOTS MAY BE MARKED WITH PEN AND INK OR PENCIL). (Fold ballot to this perforated line, leaving top margin exposed.)

OFFICIAL BALLOT
TRUCKEE SANITARY DISTRICT
Nevada County, California
ANNEXATION
SPECIAL ELECTION
MARCH, 12, 1957

INSTRUCTIONS TO VOTERS:
To vote of any proposition, stamp a cross (X) in the voting square after the word "YES" or after the word "NO."
All marks, except the cross (X) are forbidden. All distinguishing marks or erasures are forbidden and make the ballot void. If you wrongly stamp, tear or deface this ballot, return it to the Inspector of Election and obtain another. On absent voters' ballots mark a cross (X) with pen or pencil.

Proposition No. 1—For annexation to the Truckee Sanitary District ☐
Proposition No. 2—Against annexation to the Truckee Sanitary District ☐

9. Each voter to vote for the proposition hereby submitted shall stamp a cross (X) in the blank space to the right and opposite Proposition No. 1 on the ballot, and to vote against the proposition hereby submitted shall stamp a cross (X) in the blank space to the right and opposite Proposition No. 2.

10. The Clerk of the Board of Directors of Truckee Sanitary District is hereby authorized and directed to give notice of said annexation election by posting copies of this Resolution and Order in three public places within the District and within the territory proposed to be annexed for four successive weeks prior to said election and by publishing the same for a like period of time in a newspaper published in the District.

Passed and adopted this 29th day of January, 1957, by the following votes:

Ayes: Seibold, Mattos and McIver
Noes: None
Absent: Osburn and Curran

R. W. SEIBOLD,
President of Board of Directors
of Truckee Sanitary District

Attest:
JOHN J. McGLADE
Clerk and ex-Officio Secretary thereof.

Tahoe-Truckee School District News

KINGS BEACH SCHOOL

Kindergarten and First Grade: (Teacher, Elrose Knudsen.) Gregory Miller transferred to our school from Yreka. Gregory is in the kindergarten and he brings our class enrollment to 35.

Bobby Brandt, Ann Felte, and Jan Jensen got 100 percent on their reading tests.

Jeff Gruendeman brought his book, "The Big Book of Real Fire Engines."

Shirley Wagner brought the pictures she took at the Valentine's party.

Sandra Martin and Ann Felte brought records to listen to.

Second and Third Grade: (Teacher, Katherine Wing.) This week the following children painted pictures on the easel: Martha DeGregorio, Carl Christiansen, Carol Lee Corbin, Wendy Howell, Andy Thompkins, Debbie Martin, Cindy Hiatt, Susan Clackett, Billy Hobbs and Cherryl Smith.

Our new unit for social studies is "Children of Other Lands."

Chris Althof brought his record, "Manners Can Be Fun."

Gale Graton is sharing her Chinese dolls with her class.

Wendy Boatman and Cherryl Smith brought two baby orchids to Mrs. Wing this week.

Cathy Rockholm is leaving her book Alice in Wonderland at school for the children to read at their leisure.

The following second graders finished their arithmetic workbooks titled "More Number Meanings": Susan Clackett, Cathy Rockholm, David Hughes, Martha DeGregorio, Kathy Chastain, Cherryl Smith and Cindy Hiatt.

Third and Fourth Grades: (Teacher, Dorothy Corbin.) This week Estelle Howell, Wendy Boatman, Terry Boatman, Steve Felte, Alton Cloyhier, Carol Franklin, Donnie Decker, Robert Axelson, Wayne Mandeville and Bob Holley went to Granlibakken skiing.

This week we are still building on our mission.

Many children in our room went to Truckee to see the donkey basketball game.

Ronnie Baker has gone to Reno to visit his grandmother.

Linda Bonney was ill two days with a bad cold.

Fifth and Sixth Grades: (Teacher, Raymond Bisio.) Work has started on a mural depicting the westward expansion of the United States.

The beginner skiers had a treat this week in that their ski lessons were given to them at Granlibakken instead of the usual place, which was the back lots of the school.

TAHOE LAKE SCHOOL

Kindergarten and First Grade: (Teacher, Geraldine Bean.) Some more names were added to the star roll this week: Mike Burmer and Mike Dempsey made two star printing papers. Tommy Gregg did a star board assignment paper.

First and Second Grades: (Teacher, Solveig Beavers.) In the first grade those who have kept their number workbooks neat, up-to-date, and made their corrections carefully this week are: Mike Burmer, Rod Farley, Anna Marie Connors, Janet Jorgensen and Barbara Nielsen.

The second grade has made a display of their paintings on the hall bulletin board for the rest of the school to enjoy. In the speed and accuracy test this week Jon Caulkett was first, Vicki Jones, second; Tommy Barr, third, Pamela Bradley, fourth and Lynn Harper, fifth.

Third and Fourth Grades: (Teacher, Lillian Farr.) Cartoons and their place in social recreation was the theme of the language for thethird and fourth grades.

The winning character of the week was Jeff McLane's "Lil' Stupid", who may be described as very fuzzy on the cranium and having one long foot and one short foot. Another outstanding comic strip was Alex Cushing's "Little Ringtail."

Fifth and Sixth Grades: (Teacher, Helen Rauscher.) Erica McLane, Kim Turner, Danny Conners and Karen Henry entertained the class by reading their hair-raising narratives of fictitious people and events.

Steve Horvath and Mike Marvin combined both wit and skill in preparing a display of amusing sketches for the class.

DONNER TRAIL SCHOOL

Our primary grade teacher, Miss Kessey, is recovering from an appendicitis operation which she had Monday, February 25. Mrs. Read is teaching in her absence.

There was no school February 25 and 26 because the weekend rains caused the furnace room to flood.

Last Friday Cinderella was performed by the primary grades. Roberta Kiser played Cinderella. Barry Cardwell was the Prince.

Safety was a topic for discussion in both Mr. Bailey and Mrs. Read's classes after everyone was eyewitness to the accident which killed two loggers returning from Reno.

TRUCKEE ELEMENTARY

Kindergarten: (Teacher, Dee Osborn.) This was big birthday week for us. Curtis Melugin was six on February 24th, Anna Collier, Steven Maynard and David Goldsmith were six on February 27.

We have a new turtle in our turtle pond—a gift from Monte Neugebauer.

First Grade: (Teacher, Helen Camp.) The children have been busy with their store unit. Leaders of different activities were: Diane Daly, Philip Risden, Stephen Simmons, Bill Rose, Victor Rice. Judy Ingalls, Michelle Harris and Henry Frates.

Diane Daly and Bill Rose brought records to share with the room.

First Grade: (Teacher, Ruth Croxen.) Bobby Goldsmith and Tommy Roma have been ill with colds.

Diane Patterson was seven years old on Thursday.

Barry Waters, Tommy Roma, Marion Ayala, John Clark, Randee Reese, Kevin Meixner and Bobby Goldsmith received new reading books this week.

Second Grade: (Teacher, Helen Trask.) Those having writing papers displayed on our best work bulletin board this week are John Collier, Ronnie Walker, Gail Englehart, Raymond Fitzsimmons, Susie Olano, Frances Barrett, Gary Waters, Mary Ann Moore and Teresa Pinedo.

We are sorry that Lenny Vind is in the hospital.

Third Grade: (Teacher, Arlene Roth.) Some of our third grade Cub Scouts gave a skit for the class telling about an incident in the life of General George Washington. The cast included: Charles Hintz, Courtney Lewis, Randy Russell, John Goldsmith and Charles Trainor.

Those making perfect scores on an arithmetic test were: Walter Dallas, Kathleen Kenyon, Charles Hintz, Dawn Maynard, Ricky Ralphs, Randy Russell, Fosten Wilson, Betty Saarni, Robyn Reese and Anne Morey. Those who missed only one were Claudia Ayala, Monty Straub, and John Sturcke.

Fourth Grade: (Teacher, John Stever.) The fourth grade began preparations for the coming Conservation Week as Denny Stumbaugh, Kenny Taylor, Skipper Jensen, Skippy Petersen, Ray Deghi and Terry Daniels drew art work picturing wildlife scenes.

Marcia Leamon, Judy McGwinn, Linda Banyard, Wade Mosby and Eddie King earned permission to go to the high school library.

A model airplane was displayed by Jimmy Roth who also wrote an interesting story about early day events in Truckee. Tod Bedrosian presented an oral report on the settlement of New York City.

The routine lunch assignments were cared for by Sara Van Sickle, Linda Banyard and Marcia Leamon.

Fifth Grade: (Teacher, Olia Tiffee.) Those making a perfect score in spelling this week were Susanna Sciutto, Leilani Braasch, Dianna Cardinal, Bonnie Fair, Sandra Balsavage, Maurene Reese, Evelyn Hintz, Bruce Strickler, Liane Kay, Robby Kaspian, Bobby Frates, Zeke Romo, Leonard Hensley, Richard Saroni, Karey Kielhofer, Ronald Brown and Daryl Androus.

Sixth Grade: (Teacher, Ruth Roberson.) Donald Breakfield has completed the writing of his report on rubber production in South America.

Janice Eaton and Helen Kohl are making a large map to show transportation routes in South America.

TnT Tidings

By JUDE' COMMAGERE

Your Yearbook!

One of TnT's classes that goes without a moment's rest is publications, which is under the direction of Frank Alosi. Each student has a job to complete for the Chipmunk and articles to write for the Chipmunk Chatter. The designated sections are: John Firpo, sports; Pat Gunkle, business editor, administration, and classes; Allan Young, cores; Joann Palmer, seniors; Bob Williams, snapshots; Doug Ball, art editor.

Each student must work constantly in preparing his section. He must prepare a dummy copy and a final copy of each page, not to mention planning, spacing, arranging, and balancing each page.

The publication's staff would like to extend their sincere thanks to Carl Ann Quilici for the tedious job she has volunteered to do on her own time, taking pictures. Carol is at every activity with her camera, flash bulbs, and films, constantly taking pictures for the Annual, which are the best we have ever had.

The goal that the publication's staff is working toward is to produce a paper and yearbook that will reveal the events, activities, and represent all students behind the doors of TnT.

TnT Represented At Sparks

Friday, March 1, Judy O'Neill, Karen Decker, Janice Mandeville, Carol Street, Doug Wilson, and Jim Brehler went to Sparks High School for the annual rally held for the zone tournament. The cheerleaders from each school represented in the tournament gave one yell. A team member, ours being Doug Wilson, was introduced to the Sparks student body by Karen Decker.

Judy O'Neill thanked Sparks for the invitation to the rally and expressed that she felt that the rally was an excellent and prosperous idea.

Sports Day

Chico State invited the Wolverettes and Coach Betty Lou Raker to play and participate in Sports Day, Saturday, March 2. Thirteen girls; Carol Street, Karen Decker, Judy O'Neill, Linda Loynd, Janice Mandeville, Nikki Ann Wing, Judy Vaughan, Dorothea Frey, Shirley Taylor, Luisa Sciutto, Janet Allen, coach, and Mrs. Lolita Decker left Friday during the seventh period.

The Wolverettes played basketball against El Dorado, losing by two points, and Auburn, winning, 20-9.

Place In Tournament

Wednesday, February 26, the Wolverines and practically all of TnT's student body went to the University of Nevada to watch our basketball team play against Douglas in the tournament. The Wolverines played an outstanding game against the Tigers, but the Tigers' Den closed tight with the score 46-45. This game ended the basketball season for TnT, but the wrinkled program kept in the scrapbooks for many TnTers will long hold the memory of the greatest display of skill, sportsmanship, and spirit TnT has ever had.

Nevada Wins Warren Vanderbilt Memorial

TAHOE CITY — The Warren Vanderbilt Memorial ski tourney wound up Sunday on Olympic Hill with the University of Nevada taking team honors in the four-day competition following the concluding jumping event.

The Wolf Pack earned 370.8 points for first in the cross-country, fifth in down hill and second in slalom, all contested in Sugar Bowl, and its climaxing third place in the jumps.

California placed second with 367.6 but the Bears produced the tourney's individual ace in Lewis Fellows, a local ski sensation who took honors in the downhill speed tests and ski jumping. He did not compete in the cross-country, won by Harry Ericson of Nevada.

Tourney third spot went to Sierra College of Auburn which garnered 367.8 points for its best showing ever in a major intercollegiate ski contest.

SALE OF HUT AT LAKE ANNOUNCED

HOMEWOOD—Sale of the Hut, a popular local resort, by Mr. and Mrs. Edgar Meyer to Mr. and Mrs. Frank Dudman of Los Angeles was announced by the former this week.

The Hut's new owners are not strangers to the region having visited here for many years and have many friends in the area.

The Meyers plan to spend a lengthy vacation in the desert for the benefit of Mrs. Meyer's health which has not been so good since a recent operation.

COURT OF AWARDS HELD FOR GIRLS AT LAKE TAHOE MEET

KINGS BEACH—The Girl Scouts of Lone Troop No. 1, Kings Beach, held their court of awards at the Kings Beach school March 1.

The Brownies, who had been invited to participate, opened the ceremony with the pledge of allegiance. Mrs. Clackett's group, consisting of Kathy Chastain, Cathy Rockholm, Martha DeGregorio and Susan Clackett, put on a play, "Goldilocks and the Three Bears. Mrs. Bergman's group, Sharon Burch, Cindy Hiatt, Rondi Thorwaldsen, Vicki Russell, Beverly Bergman and Wendy Howell, put on a puppet show. Mrs. Martin's group, Linda Bonney, Carol Lee Corbin, Gale Graton, Cheryl Ann Smith, Debbie and Paula Martin, recited a poem and sang happy birthday to the Girl Scouts.

Mrs. Boatman's Scouts put on a play, "The Real Princess." The cast consisted of Carol Franklin, Amy Arndt, Mary Thorwaldsen, Suzie Lucas, Frances Cahill, Diane Davis, Susan Graton, Madelyn Kammerrer and Wendy Boatman. Mrs. Howell's Scouts put on a play, "Safe at Home." The cast consisted of Kim Molsberry, Judy Draney, Gretchen Gruendemann, Carolyn Olinghouse, Marlea Draney, Penny Cassidy, Leta Laborde, Chery and Karen Critchley, Virginia Baker. Susan Anne Rosenberg, and Estelle Howell.

Awards were presented by the leaders. Second class badges awarded to Carol Franklin, Amy Arndt, Diane Davis, Madelyn Kammerrer, Susan Graton, Wendy Boatman, Carolyn Olinghouse, Marlea Draney, Penny Cassidy, Leta Laborde, and Estelle Howell. Dabbler's badges awarded to Madelyn Kammerrer, Janet Mallory, Diane Davis, Wendy Boatman, Carol Franklin, Amy Arndt, Suzie Lucas, Frances Cahill, Mary Thorwaldsen, Marlea Draney, Penny Cassidy, Leta Laborde and Estelle Howell. Cooking badges awarded to Estelle Howell, Susan Anne Rosenberg, Chery Critchley, Leta Laborde, Suzie Lucas, Janet Malory and Wendy Boatman. Cat and dog badge awarded to Virginia Baker. Drawing and painting badge awarded to Karen Critchley. Homemaker badge awarded to Leta Laborde. Horsewoman badge awarded to Diane Davis. One year pins given to Rondi Thorwaldsen and Susan Anne Rosenberg.

Refreshments were served which the Scouts had made. Parents were asked to look at the display consisting of items made for many of the requirements.

SKI EVENTS SYATED FOR SUGAR BOWL

NORDEN — The Oakland Ski Club is holding its 15th annual club championships at the Sugar Bowl March 9 and 10. About 40 racers are expected to compete in the downhill Saturday and the slalom on Sunday. Both courses will be set by Bill Klein.

The slalom Sunday will be followed by Oakland's "Bunny" race for novices.

The first Eagle Standard race of the year will be held Saturday, March 16 if weather and snow conditions permit.

There are 15 inches of new snow since Saturday with from six to 10 feet on the ground, assuring good spring skiing through April.

The Alpineer Club giant slalom, sanctioned by the FWSA, open to all classes will be held at Sugar Bowl March 17. Between 80 and 100 skiers are expected to compete.

March 7 to 14 sponsored by the California Conservation Council for the past 23 years as Conservation Week is to be observed again this year by all cooperating conservation agencies, groups and individuals.

LIQUOR STOLEN BY KINGS BEACH THIEF

Authorities at Kings Beach said at least 116 bottles of liquor were stolen from the Buckhorn Lodge in a burglary committed over the long Washington's Birthday weekend.

The liquor was valued at between $500 and $600. In addition, the burglars took an estimated $5 worth of dimes and quarters which had been daubed with fingernail polish for use in the tavern juke-box.

Officers said the bar was entered through a rest room window. They added that two men, one a known alcoholic, were observed loitering about the premises before the breakin was discovered.

NEWS NOTES FROM TAHOE

By Naomi McLane

Son Born

Children and babies figure rather prominently in this week's news. Clyde and Betty Wright have a new baby boy born in Tahoe Forest Hospital this last Friday at 3:30. This is the third child for the Wrights and at this moment he is not yet named. He weighed in at eight pounds, five ounces. Dr. Walton Prescott was the attending physician.

Christening

Two little children were blessed at a christening service this last Sunday as members of the Church of the Latter Day Saints. Doris Jeanne Day, daughter of Mr. and Mrs. George Day, and Randy Joe Sprague, son of Mr. and Mrs. Richard Sprague, were received by Councilmen George Tonini and Mr. Gall of the Reno District High Council, and by Wendell Dunn, officiating elder of the Tahoe City LDS membership.

PTA Meets

A good PTA meeting was held Thursday chairmaned by President Mabel Nielsen. A cake was auctioned for the Founders' Day offering all of which goes to swell the scholarship fund of the State PTA. Final plans were made by Caroline Henrikson and her committee for the food sale which was held at both the Village Store and Kehoe's Saturday.

Ski Field Day

The mothers felt it should certainly beannounced that all mothers—and fathers, too—are most welcome to the field day which will mark the end of the school ski classes in the next week or two. The children will know the exact day. Since the children go by school bus many of the mothers might not know they too may attend.

Gives Report

Mrs. Charlotte Patnoude gave an informative report on the clinics held at the various schools and the shots program which she so skilfully directs and carries out.

Cubs Have Dinner

The Cub Scouts blue and gold dinner was well attended by parents and brothers and sisters. As one of the new den mothers I wish we had had a little more of a formalized program for the sake of the Cubs themselves. The boys were all aware that the beautifully decorated cake brought in by Sam Goss was made by his wife, Della, but they did not know that she had got out of bed to make it. She reports that several days later she was feeling fine but that the day of the dinner she was only just able to manage to get around. We certainly appreciate this effort on her part. It was a wonderful cake both to see and taste.

In Oakland

Mr. and Mrs. Harold Farr spent several days in Oakland this last week and Mr. and Mrs. Steve Marvin of the high school faculty spent the weekend in the bay area.

Support Firemen

Do not forget the Firemen's Ball to be held on St. Patrick's Eve, this coming March 16. Tickets are on sale by any fireman for three dollars per couple. A buffet supper will be served and live music furnished by L. A. Casgrandi of Oroville. We have good reason to feel warm to this volunteer department. Most of you know that one truck must remain in the fire district since it is financed by the Utility District, but the other is the property of the volunteers themselves and they may take it wherever need arises. This latter truck is supported only by volunteer subscription.

On Vacation

My nose for news must have had the snuffles five weeks ago for I did not know until today that Mr. and Mrs. A. M. Henry of Henry's Garage had been away that long following the sun in Tucson and Phoenix and Palm Springs. They visited many friends and had some golf with Mayfields and Carnells in the desert. They returned just this last week.

Game Injuries

After damages were totaled up it was hard to know just who came out winners in the donkey basketball game this week. We have a sneaking suspicion that the donkeys won. Bill Bechdolt's rib was not broken but it felt like it and he quotes Dr. Larry Nelson as saying that the "only thing that could have done a better job at such devastation would have been a freight train running through the gym.

Birthday Party

Pat Dempsey, son of Mr. and Mrs. Link Dempsey, turned nine March 1. He celebrated with a dinner and theater party for several of his classmates. Dick Neilsen, Jerry Jorgensen, Don Stowe, Paul Cincotta, Jeff McLane, Greg Moore, Don Bury, and Pat's brothers, Mike and Danny, all took part in the festive occasion at Pat's home and the Donner Theater.

Slalom Planned

The long deferred birthday slalom will be held at Squaw Valley will be held this Sunday, March 9. This giant event is for classes A, B, C and open. Also the Sacramento Bee team race will be held Saturday at Squaw rather than at Cisco as earlier announced. The Squaw Valley-Lake Tahoe Ski Club will enter both a junior and senior team although at this writing Chairman Jack Starratt was not able to give the names of participants. Our ski club has won the Bee trophy these last two years.

STRICTLY STRICKLAND

By Bill Strickland

We returned from the city February 22, on what we thought would be a day of less traffic, 'cause we figured everyone would be on the road the previous evening. Just goes to show that you can't second-guess skiers. The highway was not only loaded with mountain-bound skiers, but also with those doubling back looking for a place to stay. I took a side trip into Auburn, just out of curiosity, and was amazed at the cars loaded with ski equipment in front of Auburn's leading hotels and motels. Understand that people were traveling clear into Lovelock on the Nevada side just to find a place to sleep. It's mighty inconvenient, but it certainly indicates a very healthy outlook for winter sports in the Sierras.

* * *

One of the best answers to what to do with all of the cars that come into the mountains each weekend seems to be to get those automobile drivers to leave their cars at home and use the facilities offered by the tour services. Its been our pleasure to work through one of the San Francisco tour companies for the past three weeks and you'd be surprised how many people have changed their means of transportation. We've been instrumental in arranging over 40 charter buses to the Soda Springs area. Considering thea verage car hauls less than three skiers, it means that one bus is replacing about 15 cars. You can put a lot of buses in the spaces required by 15 cars. There are other advantages too. You don't have to spend half of your final day digging your car out—the buses are out and ready to roll when your weekend is over, and best of all, is two days of lodging, meals and roundtrip transportation, all arranged for you. Milt Hogle, here at Soda Springs, would love to have 75 or 100 buses on weekends—it's darn good business for everyone and certainly more convenient.

* * *

A couple of weeks ago a man I know expressed a desire to spend some time on Highway 40 and make a ski movie. Of course that is nothing new, making a movie I mean, but putting one together of the everyday skiing and tying it together by showing all of the lodges, evening activity and even the youngsters from Donner Trail Elementary School in their Tuesday afternoon ski school and devoting it to Highway 40, is news. I've been on this mountain a long time, but I've never seen a film that follows a normal weekend or week on Highway 40, ever. Ronnie Rau and Dennis Hogan handled the expert skiing chores, and skiers selected at random handled the rest, along without school youngsters. The San Francisco Recreation Department has expressed a desire to use it in their film library, and since they make their films available to any and all club functions it should be seen by quite a few people. According to their statistical records, recreation films were viewed by over 500,000 people last year.

* * *

Among Donner Summit Lodges many, many guests over the weekend were a couple of people who were very much in the winter sports picture not too many years ago. George Stiles now has a very fancy title at the Mark Hopkins in the city, executive assistant to the general manager. After talking to him, however, I found that his position was just about the same as any other managorial position except that the Mark's operation is probably larger than the combined total of all of the ski lodges in the Sierras.

Don and Mrs. Steel and son, Don, Jr., were also D.S.L. guests. Don handled all of the publicity and P. R. work on the old Donner Trail activity.

Don is still in publicity and public relations work as well as being on the staff of the Oakland Tribune.

World Day Of Prayer Slated Friday At Lake

KINGS BEACH—The Community Methodist Church at Kings Beach will observe "World Day of Prayer" at 1 p.m. Friday and all are invited.

Starting March 14, fellowship meetings will be held in the evening at the church and the first meeting will be preceeded by a potluck dinner.

On March 20 at 7 p.m., the annual church dinner will be held at Crystal Bay Club and everyone is invited.

DRIVER FINE $390 ON CHARGE AT TAHOE

TAHOE CITY—Jack Martin of Tahoe City who appeared before Judge Harry Charrison in the Tahoe Judicial Court on a drunk driving charge was fined a total of $390 and his driver's license was suspended for 30 days. Martin, who was involved in a mishap at Lake Tahoe, pleaded guilty to the charge.

The Zephyr Cove house owned by Mr. and Mrs. George Hill was razed by fire Saturday night from an undertermined cause, the building was not occupied at the time.

Local residents and the Lake Tahoe Fire District battled the blaze to confine it to the immediate area.

Norman McLeod of Tahoe City and Savina Schuster of Denver, Col., were issued a marriage license in Reno.

WHAT'S DOING

George Selkirk, Telephone Manager, Truckee-Tahoe

LUther

LUther is going to become one of Truckee best known names.

It's the name selected as a prefix for Truckee telephone numbers to become effective when dial service starts here Saturday night, March 16.

Telephone company planners chose LUther because it is easily spelled and understood and because it also fits into a nation-wide numbering plan now being established across the country.

That numbering plan is one of the keys to nationwide direct distance dialing. When every telephone in the country has an individual identity, the numbering plan will make it possible to dial long distance calls too.

Before a name is selected, possible choices are read over the phone to hundreds of operators in all sections of the country. Only those names which register close to 100 percent for accuracy are finally chosen.

The company discovered, for example, that historic California names which it tested were misunderstood and misspelled by operators in the East.

Actually, there are about 300 usable prefix names that meet these rigid standards and also fit the combinations of letters on the dial.

* * * * *

Candy-cane wire—not good to eat but very good for getting phone service to folks living in rural areas. It's a kind of cable—six pairs of brightly colored wires wrapped around a supporting core. Candy-cane wire serves as many people as six separate lines would and is much easier to put up and maintain. The colors make it easier to identify lines. Candy-cane wire is one of the many developments that helps us meet the growing telephone needs of the Pacific West.

* * * * *

R-O-H: That's what telephone line testers call it when they run into the situation like the one at the left. It means "receiver off the hook." A receiver hasn't been replaced quite right or it's accidentally propped up by some object. Whatever the cause, the plungers don't go all the way down and your line is as "busy" as if you were talking. It can cause you to miss calls. Watch out for R-O-H.

OLYMPIA with pleasure!

NORTH TAHOE

By JUDGE HARRY CHARRISON

Thank You

I had the pleasure a few days ago to place into the hands of wee Gregory Sorensen United States Bonds in the amount of $600. This amount had been turned into me for the purpose of helping to start Gregory, when he is ready, to a college education, and also as a memorial to his dad. I placed the bonds in his little hand, and was rewarded with a great big smile just as though he knew what was being said to him, his big blue eyes shining just like his dad's, and just as happy a dispostiion. Andy, Alice, Loma and his mother, Susie, were present and after the tears were dried Susie received the bonds that had been made possible by the many friends. The whole Sorensen family is very grateful and appreciative to each and every one. As any further amounts come in more bonds will be purchased. Thank you.

They Let Him Out

Yes, E. E. (Skeet) Thompson is home from the hospital where he underwent an operation. He is now recuperating by taking it easy, and it looks as though he will recover quickly. Ned Malla has been driving him around town visiting. We are glad to see him. Good luck, Skeet.

A Close One

John Flagg and Cecil Ter Meer had quite an experience last Friday coming over Spooner's Summit when their car skidded and crashed into a snowbank, spinning the car around. Fortunately neither was hurt, only their feelings. They say it took a couple of hours to put their chains on, and they nearly froze.

A Short Stay

Camy Althof tells of Mr. and Mrs. Jimmy Dickow visiting here. Mrs. Dickow is the former Delores Rood of Kings Beach. Since their marriage they have been living in San Jose.

Visitors

Joe and Enola De Gregorio of Tahe Vista had as their visitors Mr. and Mrs. Robert Judy, Jr., son, Tommy, daughters Nancy and Jennifer. Cute little Martha was quite a hostess to the youngsters. The party was from San Mateo.

Sunday Weather

This morning at seven it was 25 degrees, the first time it had been below freezing for a couple of weeks. Now at 9 a.m. the sun is shining, the snow is fast disappearing, parts of the golf course are clear, and Sam Harrison the ground around your cute little home is all clear. There were a good number of fans up just as busy as could be.

In Arizona

Mrs. Wiley Jones had a letter from Carrie Mercer last week. She has had quite a nice winter at Scottsdale in Arizona. They will be back as soon as school is out.

Now To The Dogs

M. H. (Hank) Dodd told me that they had lost their dog which they had for quite a few years. "Pete" was a well known figure around their real estate office. He just simply died during the night and they will sure miss him as they were never without him. Also the cute little dog belonging to Bob and Pearl Moore died during the week. There is evidently some kind of disease going around so it would be well to keep your eyes on your dog.

New Officers

New officers were chosen by the National Foundation of Infantile Paralysis in Reno during the past week. Special commendation was given to the Crystal Bay group, led by Wiley Jones, for their outstanding March of Dimes campaign in the '57 drive. Mrs. Barbara Savoy was also commended highly for the magnificent part she played in the work. Locals elected to the board were Wiley Jones, Bill Dugan and Admiral John W. Crenshaw, all of Crystal Bay.

Trip

Took a trip with Gene Faulkner last Friday to Auburn just on business and pleasure. I wanted to see if the business of the county is being carried on to my liking. It is, and quite a nice new room has been redecorated for the board of supervisors. I met John Bernard, the newly appointed Placer County executive officer. It was a real nice trip.

Races

Well, now that the races at Santa Anita are about over, we should see some of our old friends returning to their homes.

Looking Around

Roger Colton was a visitor last Saturday, Roger used to own the mercantile store in Kings Beach (now the Tahoe Food Center). It was quite a store for the old-timers to visit some 10 or more years ago, a nice big davenport and pot-bellied stove where a few men could sit with a can of beer and and you could hear the familiar sizzle on the stove once in a while. Young Tommy, who used to seem as though he would never grow, is now six feet tall. Roger, who is brother-in-law to Carl Bohme, says it is doubtful whether Carl will get much out of the $56,000 awarded to him for the accident with the trolley car of Cal-Neva.

Soon Be Back

Johnny Flagg, recently returned from Arizona, says a couple of summer employes at Crystal Bay are at the moment at the Wigwam in Litchfield Park in Arizona, but hope to return to the lake by May 5. They are Bill Davis and J. V. McDade.

Spring Like

Just talking to Doctor A. J. (Bart) Hood, who has a resort at Brockway. Says he should have stayed in all winter as it has been spring-like all through. He is contemplating moving back very soon.

Tahoe Product

Yes, we are mighty proud of Bill Walker, son of Jim and Betty Walker of Kings Beach, for gaining honors at the U. S. Coast Guard Academy. Bill had been an honor student at the Tahoe Truckee High School. He was in Honolulu for some time, before going to New London, Conn.

Welcome Home

Welcome home, Swanee. It is sure nice to have you back, and who could you have nicer to live with than our friend, Jeanette Mitchell. Come up and see me sometime.

Father O'Neill Says

Kings Beach: Lenten devotions, Tuesday evening at 8 p.m.

Catechisms for children after school on Tuesdays.

Sunday Mass at 4 p.m.

Tahoe City: Daily Mass on Tuesday and Friday at 9 a.m.

Lenten devotions, Friday at 8 p.m.

A New Yorker

Met Al Allegro, an attorney of Garden City, N. Y. He is associated with the Tahoe Biltmore Hotel and he will be here all summer. We wish him every success.

New Homes

I hear that H. E. McCoskey and Ray Plunkett of Crystal Bay have already started building beautiful homes at Incline Beach just over the line in Nevada. It is said also that Johnny Rayburn will start one pretty soon. That beach is certainly a choice spot along the lake.

Resignation

Well, after 40 years our old friend, Orin Branch, has resigned as deputy sheriff. Orin is one of theold-timers who has been held with respect by all of our residents, caretaker of most of the homes in the area during his many years, and has been admired for his faithful work. Now Orin can take it a little easier.

Study

Dr. Allen Sklar is in Fort Lauderdale, Fla., undergoing further study. He will be there for most of the month of March.

TAHOE WEATHER

TAHOE CITY — From Thursday until Monday, more than a half an inch of precipitation was reported at Tahoe City with two and a half inches of snow and rain showers. There were 15 inches of snow on the ground Monday and the lake level was 6228.03 feet with 20.6 csf of water leaving the gates.

MOBILE CHEST X-RAY WILL BE HERE MAY 2

It has been announced by the Placer County Tuberculosis and Health Association that the mobile chest x-ray unit will be at the Tahoe- Truckee Unified High School on May 2, from 1 p.m. to 7 p.m.

This is being done to offer free chest x-rays to the high school students and all teachers and other school personnel in the area. Anyone else in the community who wishes to take advantage of this free service will be welcome.

Later in the summer the mobile unit will be in Tahoe City and Kings Beach. The dates and time of operation will be announced later.

Patrons Of Post Office Offered Job Opportunity

TAHOE CITY—Patrons of the Tahoe City Postoffice now have a chance to enter the postal service, Postmaster Oliver Corona said today. Persons appointed as substitute lerks and carriers will be able to participate in the many advantages of federal employment.

Postoffice work offers an opportunity for service to the community, paid vacations, sick leave benefits, and a retirement plan, Corona said. A life insurance plan covers government employes at a low rate to them with the government carrying part of the expense. Postoffice carriers who wear a uniform are allowed up to $100 a year to cover the cost of the uniform. In addition, a government-wide incentive awards program offers the opporunity for an individual employe to achieve personal distinction and financial regard for suggestions to improve the efficiency and effectiveness of the service.

Entrance pay is $1.82 an hour with steady increases provided. No experience is required. Veterans are given preference in appointment.

Tahoe Fire Chief Asks Cooperation To Aid In Combating Home Fires

TAHOE CITY—Fire Chief Al Henry of the Tahoe City Volunteer Department announced after two separate fires recently destroyed the home of Bob McLane and the Chambers Lodge house which for years was occupied by Dave Chambers, that everyone owning houses in this area should take immediate steps to provide water on the premises.

"It gets tiresome," he said, "to run men and equipment to fires only to discover that there is not enough water to control the blaze."

Although the Chambers blaze was not reported quickly enough to make control possible, the McLane home blaze could have been controlled if enough water could have been delivered to the fire, Henry said. The same was true of the Lee Van Wetter home in Squaw Valley which was destroyed recently.

The fire department has issued the following suggestions for property owners in the vicinity:

(1) Fire hydrants should be provided by the company or district supplying water. If is impossibleto have hydrants on every block at least two frost free hydrants in each water system should be kept free and operable. This would allow refilling the tanker truck, at least.

(2) Each dwelling should have a garden hose stored in the house where it can be seen and used quickly. A frost free hose bib should be provided.

(3 In an area where water is scarce every house should be equipped with fire extinguishers of good capacity, preferably of two different types, and they should be checked periodically to see if they are in good working order.

Chief Henry added that the department is happy to go to a fire when called, but they wish that these recurring conditions could be eliminated.

Bill Board Ordinance Is Approved By Placer

AUBURN—A motion to drop all work on a proposed billboard ordinance was voted down, 5 to 4, by the Placer County Planning Commission and Robert Thurn, assistant district attorney, was told to go ahead with the ordinance.

The motion highlighted a short debate by commissioners over whether a billboard ordinance is needed in the county.

Thurn reported that sign control will be exercised in a strip zoning ordinance which will be completed within a month.

San Francisco is the first city in the nation to have a civic opera house and to vote municipal support of its symphony orchestra.

ENGLE SEEKS MORE FOREST SERVICE FUND

WASHINGTON—Increased funds for the various function of the forest service for the next fiscal year are being urged by Congressman Clair Engle, Second District, Calif.

The congressman recently appeared before a sub-committee of the house appropriations committee in support of bureau of budget recommendations for fiscal 1958 for the following:

Fire protection, $11,300,000 an increase of $508,800 over last year; reforestation, $2,185,000 an increase of $305,400; timber sale administration, $12,780,000 an increase of $2,092,000; development of recreational facilities (such as picnic grounds and campsites), $11,500,000 an increase of $7,748,000; boundry surveys involving national forests and private lands, $416,000; forest fire control research, $391,500 an increase of $51,400; soil erosion control and watershed management, $810,000 an increase of $151,100.

"I believe all of these budget items are of extreme importance to the second district, which contains all or parts of 13 national forests and has the greatest stand of commercial timber of any district in the congress, with the possible exception of one in Oregon," Engle declared.

ENGINE FLOODING

Flooding the engine is one of the causes of hard starting in cars equipped with automatic chokes. The automatic choke operates only when the throttle is partially open. When there is difficulty in starting, try pressing the throttle all the way to the floor, says the California State Automobile Association. Full throttle makes the choke inoperative and reduces the amount of raw gasoline discharged into the carburator.

Wolverines Lose In Tourney Game

The Tahoe-Truckee Wolverines closed out their 1957 basketball season last Wednesday night, dropping a thrilling 46 to 45 decision to the Douglas Tigers in the opening round of the Western Nevada Zone Tournament held at the University of Nevada.

Jim Brehler coaches Wolverines, twice beaten by these same Tigers this season, held a slim 22 to 25 halftime lead, mainly on the shooting of Doug Wilson and the resounding of Dave Rickert. But a cold third period once again proved to be the undoing of the Red and White as the Douglas squad managed to pull into a 37-all tie going into the fourth period.

Carson City, with one of the finest teams in the history of the school, went on win the Zone Tournament as they defeated the runner-up Reno Huskies, 54 to 51. The five teams qualifying for the state tournament, besides Carson and Reno, are Hawthorne, Fallon and Manogue. These clubs, along with three from the south, will meet in Renoon March 14, 15 and 16 to determine the state "A" champion. The state "B" championship tournament is scheduled for Elko and the week previous to this, with Fernley, Virginia City and Dayton representing the western zone.

Tahoe-Truckee's Varsity squad will lose six of their 12 men via June graduation, including Dave Rickert, Tom Sheehan, Wes Ball, Doug Cooke, Bob Trask and Doug Wilson. Juniors on the team who will return for the 1957-58 season include Ken Vaughan, Floyd Cooper, Berger Nelson, Dean Holbrook, Ken Osburn and L. J. Robinson. This team finished up the season with a healthy record of 10 wins and nine losses, with an even five and five for conference play which was good enough for a fourth place in conference standings.

Also from the athletic department of the high school comes the announcement that next year's football schedule has been completed, as well as a tentative junior varsity schedule.

The Varsity will open against Yerington on September 13, and then follow with games with South Tahoe at Truckee, Stewart at Stewart, Qunicy at Truckee, Loyalton at Loyalton, Lovelock at Truckee, Winnemucca at Winnemucca, Douglas at Truckee and Manogue at Truckee.

The JV schedule reads as follows: Roseville at Truckee, Roseville at Roseville, Loyalton at Loyalton, Quicy at Truckee, and Placer Union at Auburn.

Weekend Guests—
Mr. and Mrs. Omar Alexander of Roseville were houseguests of Mr. and Mrs. William Stevenson during the weekend when they attended the dinner given Saturday to honor Mrs. Della Burlingham.

LAND AGREEMENT

Continued from Page 1

reached an agreement on minimum land requirements."

Assemblyman Francis Lindsay, who must carry the bill through the assembly, was among those attending the meeting and also expressed agreement in the arrangements decided upon.

Previously the organizing committee had presented a plan to the Poulsens which sought provisions which the Poulsens declared were unacceptable. Some stipulations, they declared, were unreasonable and unnecessary.

Nyack Meeting

Prior to the Sacramento meeting, the Sacramento Valley Council of the State Chamber of Commerce sponsored a meeting at Nyack Lodge which was attended by more than 100 interested people who heard plans for the games and subsequent state park plan thoroughly aired.

Squaw Valley property owners protested the recent move by the division of beaches and parks to absorb the entire valley into the plan. This action, presented in the form of a resolution by the division, has been ruled out by all concerned as not necessary and as a detriment to the games.

Presently plans call for a state recreational center of approximately 500 acres, of which less than 100 acres will involve private land—land which the Poulsens agreed to sell at the meeting Friday. The balance is forest service land which will be leased by the state for a 30-year period.

Most of the past confusion regarding the games has resulted from misunderstandings and loose talk by those unfamiliar with the plans, Johnson explained to the audience.

All negotiations prior to the meeting Friday, so far as the Poulsens are concerned, is without basis and the new agreement is expected to pave the way for continued progress on all phases of the program. Only land absolutely necessary to the games and the state's interest will be involved and the fear of eminent domain on the balance may be forgotten, Johnson declared.

It was necessary to turn back more than 100 people who wished to attend the Nyack meeting because of the wide spread interest in the program.

Incorporation Will Be Explained With Series Of Articles

By HAL WELCH
(Chairman of Committee to Study Incorporation)

Incorporation, what it could mean to the people of the Truckee-Donner Lake area. This is the first of a series of articles based on a factual study just completed, of the benefits, both financial and non-financial that could be expected if this area becomes a city.

Why do citizens of any unincorporated communtiy start thinking of changing their governmental status? They are either unhappy with existing public services, or they want more new or improved services. At the present time the unincorporated Truckee area is governed by 22 different men who sit on the various governing boards of its special districts, plus the county board of supervisors.

What Is City Government?

A municipal government operating under California law is a sixth class city. The government of a sixth class city is vested in a five-member council, a clerk, treasurer, chief of police, and any other officers needed.

The councilmen, who serve four-year terms, must be elected. They are usually chosen from the city at large. Most small city governments consolidate one or more of their city offices under one head, such as a city manager, for purposes of efficiency and economy. Any community containing 500 inhabitants or more, and located within the boundaries of one county, may incorporate as a city of the sixth class.

Incorporation procedure requires a petition by landowners and an election by the resident voters. For the purposes of this study the present boundaries of the Truckee Public Utility District are being used as proposed city boundaries.

(Next week we will present the arguments both favoring and opposing incorporation. These will be both financial and non-financial.)

MRS. JACK DEMPSEY EXPIRES AT TAHOMA

TAHOMA—Funeral services were held for Gospa Perovich Dempsey, 46, wife of Jack Dempsey of Tahoma at the Truckee Colonial Mortuary Tuesday with Rev. Wesley Osman officiating.

Mrs. Dempsey expired following a heart attack at her home.

She was a native of Sutter Creek born September 1, 1910 and attended the schools in that area. She was a graduate of the University of California where she met and married her surviving husband. She is also survived by her mother, Mrs. Melitsa Milosenich of Sutter Creek and three brothers, Anthony Pervich of Lodi and James and John of Palo Alto.

The community extends its sympathy to the surviving members of the family.

COUPLE HURT WHEN CAR GOES OFF ROAD

A weekend holiday trip to Reno was interrupted Friday night for a California couple when their car plunged over a 200-foot embankment near Floriston on Highway 40 west of Reno and landed against a water flume.

Washoe County sheriff's deputies identified the injured as Mr. and Mrs. William E. Albert of Walnut Creek.

Mrs. Albert was admitted to Washoe Medical Center with a broken pelvis bone. Albert's injury was listed as a scalp laceration. Both were taken to Reno by Truckee ambulance.

No Fund For Chiselers

N. F. Dolley, chairman of the Truckee-Lake Tahoe Committee of the Salvation Army today issued a statement to the effect that funds held locally for deserving residents of the area will not be distributed to transients and panhandlers. He explained that the fund is raised annually for local needs and is insufficient to care for everyone desiring a handout.

SUNSHINE MEETING

The Pythian Sunshine Council met Wednesday where plans were made for initiation on March 20th with Joan Brown, Mary Ann Miller and Kathy Curran on the refreshment committee. Sherri Curran, royal princess, presided. This was the first meeting following the winter recess.

In Crescent City—
Mrs. Nace Firpo has been visiting her mother this week at Crescent City.

Parks Guests—
Mr. and Mrs. E. A. Parker had as their guests, her sister and brother-in-law, Mr. and Mrs. G. E. Smith and daughter, Susan of Sacramento. The visitors were enroute home from Dayton, Ohio, where he had been taking a course in the interest of his work.

CATHOLIC LENTEN SCHEDULE
(By Father P. J. O'Neill)

Following the example of Her Founder Jesus Christ who spent 40 days in fasting and prayer in the desert, the church has since Apostolic times set aside the 40 days prior to Easter each year as a period of fasting and other forms of self denial.

The primary purpose of the imposed Lenten fast is to do penance for our past sins. The secondary purpose is to give us control over our passions and appetites which, if not controlled, will invariably lead us into sin.

Schedule of morning Mass Devotions:

Truckee: Daily Mass, 8 a.m.

Evening Devotions: Wednesday and Friday, 8 p.m.

Tahoe City:

Mass Tuesday and Friday mornings, 9 a.m.

Evening Devotions: Friday evenings, 8 p.m.

Kings Beach:

Evening Devotions: Tuesday evenings, 8 p.m. Sunday Masses at usual times.

SUSPECTS HELD FOR POST OFFICE THEFT

One man, Donald J. Stroud, 22, was being held in Reno and four others, Wayne Maggard, 25, Charles Riddle, 21, Lloyd Elliott, 25, and Fred Delarcour all of Fresno, were stopped by Sergeant Frank Snyder and Patrolman Carroll Maynard in Truckee for questioning in connection with the theft of money orders from a Fresno area postoffice.

Stroud is charged with attempting to cash the moneyorders at Reno and the four held here have denied any knowledge of the theft although all were together on the trip.

TAHOE FIREMEN WILL HOLD ANNUAL BALL

TAHOE CITY — The annual Firemen's Ball, staged by the Tahoe City Volunteer Fire department will be held this year on the eve of St. Patrick's Day, Saturday night, March 16 at the Tahoe Inn, at 8 p.m.

Program Chairman Pete Vanni announces L. A. Casgrandi and his band of Oroville will again furnish the music for dancing. A buffet dinner will be provided for all guests at no extra charge.

Tickets are on sale from any of the firemen in person, or by mail, for $3 per couple.

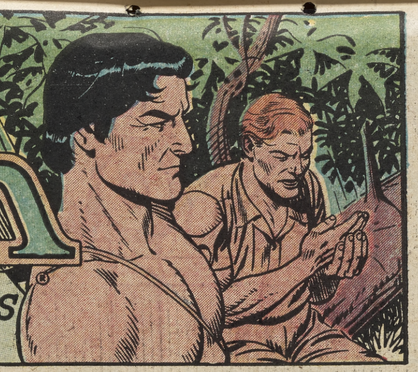
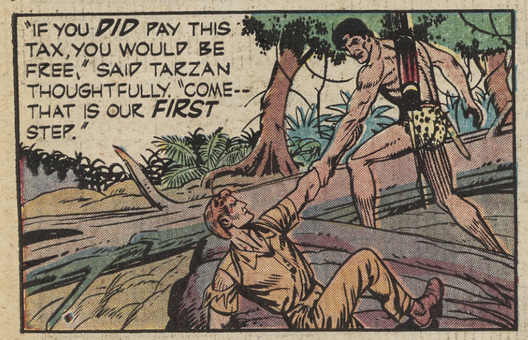
Tarzan

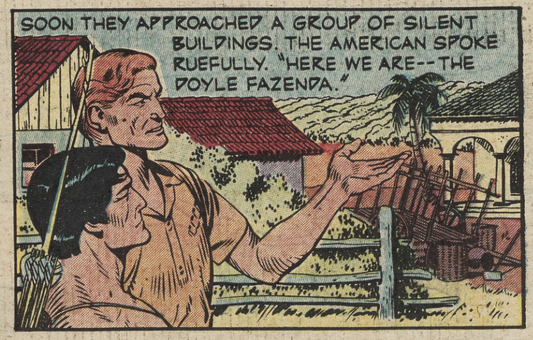
by EDGAR RICE BURROUGHS



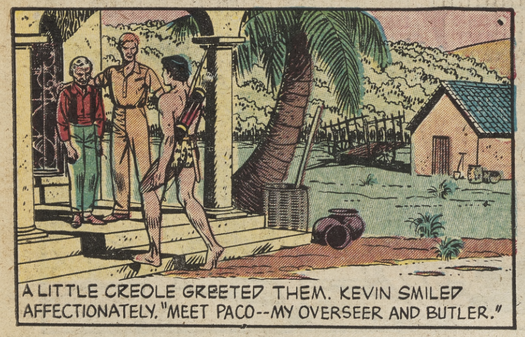
KEVIN DOYLE HAS JUST EXPLAINED THAT GOMEZ HOPED TO SEIZE HIS PLANTATION BECAUSE HE COULDN'T PAY HIS PROPERTY TAXES--



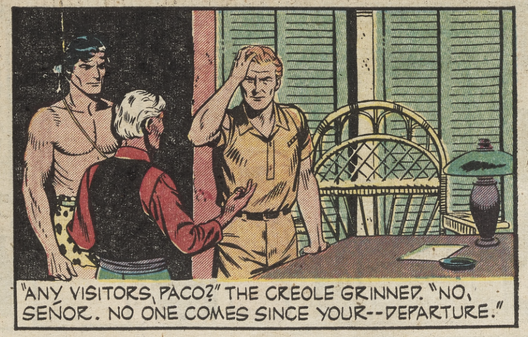
"IF YOU *DID* PAY THIS TAX, YOU WOULD BE FREE," SAID TARZAN THOUGHTFULLY. "COME--THAT IS OUR *FIRST* STEP."



SOON THEY APPROACHED A GROUP OF SILENT BUILDINGS. THE AMERICAN SPOKE RUEFULLY. "HERE WE ARE--THE DOYLE FAZENDA."



A LITTLE CREOLE GREETED THEM. KEVIN SMILED AFFECTIONATELY. "MEET PACO--MY OVERSEER AND BUTLER."



"ANY VISITORS, PACO?" THE CREOLE GRINNED. "NO, SEÑOR. NO ONE COMES SINCE YOUR--DEPARTURE."

KEVIN LAUGHED AND PRETENDED TO BE CASUAL. "GOOD--NOW TELL ME AGAIN HOW *YOU* WOULD RAISE THE TAX OF ONE THOUSAND ESCUDOS!"

PACO RESPONDED WITH BRAVADO. "SI--I WOULD WIN PRIZE MONEY FOR KILLING THE *BULL!* THERE IS BIG FIGHT TOMORROW AT THE *PLAZA DE TOROS*'!"
